Description

Smoking tobacco has rightly gone out of fashion but this Edwardian novelty ashtray is hard to resist.

This rare German porcelain smoking ashtray is by Schafer & Vater. These unusual objects were used as ashtrays with the smoke of the cigarette escaping through the ear holes. This one sees an old ugly chap with a monocle and a title that reads 'For He's a jolly good fellow.

Place a cigarette, cigar, or whatever your favourite substance might be in his mouth and the smoke comes out of his ears. Fuming!
