REF: 1149

Height: 15 cm (5.9")

Width: 39 cm (15.4")

Description

A stunningly simple example of the art of papier-mâché. This painted papier mache and metal mounted vessel dates to the second quarter of the 19th century and is in the form of a wine cooler. The vessel is painted to simulate wood and the twin bands are similarly painted but to simulate metal.
