

Five 1930s cut glass sherry glasses

£35

REF: 4691

Height: 9 cm (3.5")

Diameter: 9 cm (3.5")

## Description

Five 1930s cut glass sherry glasses.

Sherry glasses originated in Spain, designed specifically for sipping sherry wine. Their traditional shape, with a small, tulip-like bowl and slender stem, dates back to the 18th century. The design enhances the wine's aroma and flavour, reflecting a long-standing appreciation for the delicate nuances of this fortified wine.
