

Large silver cabochon amethyst ring

Sold

REF: 5183

Description

Large silver ring set with a cabochon amethyst.

Cabochon amethyst features a smooth, rounded cut without facets, showcasing the gem's rich, deep purple hue. This cut enhances the stone's natural colour and clarity, making it a popular choice for jewellery like rings and pendants. The cabochon style highlights amethyst's beauty and depth, offering a classic, elegant look.
