Description

Large Tahitian Grey Pearl, Opal & Diamond White Gold Stick Pin

An elegant and distinctive white gold stick pin centred on a large Tahitian grey pearl, beautifully complemented by opal and diamond accents. The pearl displays the sought-after silvery-grey tones associated with Tahitian pearls, its lustrous surface shifting subtly with the light to reveal hints of soft green, blue, and peacock-like iridescence.

The opal introduces a captivating play of colour, while the diamonds provide a refined, sparkling contrast to the pearl's satin glow. Together, these gemstones create a balanced and sophisticated composition, combining the mystery of opal, the brilliance of diamond, and the exceptional presence of a large Tahitian pearl.

Designed to be worn on a lapel, cravat, scarf, or hat, the stick pin is a versatile jewel with a quietly luxurious character. Its slender white gold setting keeps the focus on the gemstones, while offering an elegant contemporary finish. It would look equally striking styled alone on a tailored jacket or incorporated into a collection of antique and modern jewellery.

A beautifully composed piece for lovers of unusual pearls and fine gemstone jewellery, combining classic restraint with distinctive colour and lustre.
