Description

An unusual Holophane patented copper rise-and-fall prismatic lamp, circa 1930.

Rewired with brown fabric flex and PAT tested.

Holophane is a renowned lighting company known for its high-quality luminaires, specialising in prismatic glass technology to optimize light distribution and efficiency. Founded in London in 1898, Holophane has a long-standing reputation for durable, efficient lighting solutions. Their unique prismatic designs help maximise brightness and clarity while minimising energy consumption. Holophane's products are celebrated for their robustness, longevity, and visual appeal.

As with all electrical items we recommend that they are installed by a qualified electrician.
