

19th century French Napoleon III mirror

£595

Description

A 19th century French Napoleon III gilt gesso pier mirror circa 1850.

Pier mirrors are tall, narrow mirrors typically placed between windows or on a wall pier in elegant rooms. Popular in the 18th and 19th centuries, these mirrors enhance light and space, often featuring ornate frames. They were a staple in grand homes, reflecting opulence and complementing classic interior designs.
