

White glazed Yuan dynasty moon dish

£220

REF: 5782

Height: 4 cm (1.6")

Diameter: 24 cm (9.4")

Description

A white glazed Yuan dynasty moon dish, 1279-1368.

Moon dishes are characterised by their circular, flat shape and often feature a gently curved rim. Moon dishes showcase the advanced ceramic techniques and artistic styles of the period, reflecting a blend of Chinese and Mongol influences. This example was produced during the Yuan dynasty (1271-1368).
