

Floral moulding plaster cast from the antique

£175

REF: 5451

Height: 42 cm (16.5")

Width: 2040 cm (803.1")

Depth: 47 cm (18.5")

Description

Floral moulding plaster cast from the antique.

Making plaster casts of ancient carvings involves carefully applying plaster over the original artwork to create a detailed, three-dimensional replica. Once hardened, the plaster cast captures intricate textures and features, preserving the carving's details. This method allows for study, replication, and display, protecting the original while sharing its historical significance.
