

Silver handled walking cane

£95

REF: 6383

Height: 90 cm (35.4")

Description

A very elegant European silver handled malacca walking cane, circa 1910.

Malacca walking canes are stylish, sturdy canes made from the tropical Malacca wood, valued for its lightness and durability. Known for their smooth texture and rich colour, they often feature elegant handles, such as sterling silver or brass. Malacca canes are prized for their timeless charm and sophistication.
