

Edwardian yellow gold bar brooch set with a green stone

Sold

## Description

Edwardian yellow gold bar brooch set with an old cushion cut green stone.

Cushion cut stones, known for their rounded corners and larger facets, blend the elegance of old mine cuts with modern brilliance. Popular in the 19th century, this cut enhances the stone's sparkle while maintaining a classic, romantic appeal. Ideal for engagement rings, it offers both vintage charm and contemporary flair.
