

Pair of 1920s Japanned candle sticks

£165

REF: 5294

Height: 47 cm (18.5")

Diameter: 16 cm (6.3")

Description

Pair of 1920s Japanned candle sticks with 1920s candle-holder fittings and a pair of Bloomsbury-style shades to keep things neat. The candle-holder fittings take a smaller candle with a spring mechanism to keep the flame at the same height. Note that the lampshades must be removed before lighting a candle.
