

Set of eight 19th century pewter measures

Sold

REF: 4020

Height: 26 cm (10.2")

Diameter: 15 cm (5.9")

Description

An impressive and very decorative set of eight pewter measures by A Taffu et Fils, Caen. Circa 1845. The largest is 26 cm tall, with the smallest being a diminutive 6 cm. A great decorative set for a country kitchen.
