REF: 6520

Height: 12 cm (4.7")

Width: 12 cm (4.7")

Depth: 7 cm (2.8")

Description

A Victorian brass figure of an owl with garnet eyes and its wings spread.

Owls are rich symbols across cultures, often embodying wisdom, intuition, and mystery. In Greek mythology, they were sacred to Athena, goddess of wisdom, representing knowledge and insight. Their nocturnal nature links them to the moon and secrets of the night, symbolising mystery or the ability to see beyond the surface. In some cultures, owls signify death or transition, acting as messengers between worlds. Their silent flight symbolises stealth, adaptability, and silent observation.
