Description

Victorian Hukin and Heath silver plate tea pot and stand in 18th century style with ebony handle, circa 1880

Hukin & Heath, established in Birmingham in 1855, was renowned for its high-quality metalwork and silverware. Founded by John Hukin and John Heath, the company specialised in elegant and innovative designs, including tableware, candlesticks, and teapots. Hukin & Heath gained acclaim for craftsmanship and artistry, becoming a significant name in the British silver industry

Sadly the tea pot is missing its original spirit burner but still a wonderful piece of work
